About

RADHA GOVIND COLLEGE OF EDUCATION

We came into existence in the year 2004 with zeal to provide quality education to the unreached students with our quality education programs and a team of experienced faculty. We have always believed in helping and guiding our students and it was no different during the placements. We believe that leaders create leadership skills in others, thus igniting a virtuous cycle of growth. We have been dedicated towards providing quality professional education through well-accredited courses, seminars, conferences, guest lectures, Industrial visits and excellent academic facilities. Our programs are structured to keep pace with the present dynamic and globalized scenario meeting the requirement of industry and education. We are dedicated to deliver excellence in our academic programs. We are one of the best Educational Institutes in India.

RGCE Faculty enjoys academic freedom to adopt appropriate andragogy for delivering quality education. Andragogy would be a mixed blend of lectures, presentations, case discussions, assignments and project work. The primary emphasis would be on interactive and participative methods of learning.
